

12th Annual Thanksgiving and Trailer Roping
Expo New Mexico, (Albuquerque)
November 29, 2009
Produced by: Zamora Roping Productions

Nearly 400 Teams competed for more than \$15,000 in cash and prizes at the one day 12th annual Thanksgiving Roping. The weather had our phones ringing off the hook with calls from ropers wondering if we were going to cancel the roping. Word was received that another roping was cancelled across town.

As many of you who have been around for a while and have been to our events know that we have always done what we advertised. On several occasions we have been affected by the weather but have never cancelled because of it.

It was a good thing as ropers kept showing up to enter at their chance at all the cash and prizes being offered. A nice set of steers was supplied by M&R Cattle. The saddle roping had an exciting finish as the average winners tied for the saddle. In the rope off it was the youngest roper and the oldest roper at the event teaming up to win the match and give young Ethan Serna his first ever trophy saddle.

The trailer roping saw several ropers score numerous points. But in the end it would be Gene Aragon who took home the two horse slant as he was the high point roper. Gene had numerous call backs in the top 30 short go racking up enough points to be the overall winner.

Congratulations to all the winners!

Once again, despite other ropings being scheduled on top of this annual Thanksgiving event, ropers still continue to show great support for this Thanksgiving tradition.

Zamora Roping Productions would like to thank all the ropers who attended the roping and wish everyone a Merry Christmas and Happy New Year!
