

## 2009 USTRC Southern Colorado Classic

Zamora Roping Productions has been producing the USTRC Southern Colorado Classic for more than a decade. The event continues to draw teams from numerous states within the region. Nearly 1500 teams competed for more than \$170,000 in cash and prizes September 18 – 20, 2009. The Colorado State Fair Grounds has been the home of this event since its inception. The facility along with the personnel makes this a great venue for such a prestigious event.

Cattle were supplied by C-S Cattle/Jeff Smith. The steers were fairly soft giving everyone a great opportunity thus making the roping a true roping contest rather than a drawing contest. This was evidenced even further due to a higher than normal catch ratio.

We would like to thank our staff and crew for the excellent job they did in helping produce this event. We couldn't do it without them. Given the current economic conditions we are experiencing in this country we were extremely pleased with the turnout. We would like to thank the ropers who attended this event. We know you have many choices where to rope and we are more than appreciative that you continue to choose to frequent our events. Well see you down the road.

Good Luck and Go Get The Money,

Kenny Zamora

2009 Southern Colorado Classic (Total Payout = \$154,000)

9/18/2009 2009 Southern Colorado Classic Open PickDraw Average (5-steer, Total Payout = \$1,480)
