

**Dear Ropers,**

**Well, another spring is upon us which not only brings warmer weather and new life, but also means it's time to dust off our saddles, order some new ropes, get our horses in shape and start practicing for the many upcoming ropings.**

**Zamora Roping Productions would like to invite you to come rope with us at one of our numerous championship style events.**

**We are off to a great start in 2011 as we have already produced two World Series Qualifiers and a Saddle and Trailer roping in Casa Grande, Arizona. We have run over 1000 teams and have paid out over \$112,500 in cash and prizes!**

**Look for the results on our newly updated website. [www.zamoraroping.com](http://www.zamoraroping.com)**

**Please note that we have a date change for the Cinco De Mayo Saddle and Trailer Roping in Santa Fe, NM. The roping will be held on May 1, 2011. We rescheduled to avoid roping on Mother's Day and to not conflict with Walt Eddy's USTRC roping.**

**As always, we appreciate your continued support throughout the years and we look forward to seeing you at one of our events in the near future as we continue to promote the great sport of team roping and our loyal sponsors.**

**Good Luck and go get the Money!!!**

**Kenny Zamora**
