

December News

Dear Ropers,

We hope you all had a Happy Thanksgiving!

December is my most favorite month of the year! Combine the early part of the month with the NFR and WSTR Finale and the end of the month with Christmas and how can it get any better! Well if you are a pro roper competing at the NFR, I guess you would respond by saying, winning the world championship! If you are entered in the WSTR Finale you would probably respond by saying, winning \$100,000!!! In both instances you would be absolutely correct!

With December being welcomed in, so is winter! Some parts of the country are already freezing while others are still mildly pleasant. It's snowing in New Mexico, windy in Arizona and raining in Las Vegas, Nevada! I've experienced it all the last few days.

We were in Albuquerque, NM twice in the month of November. November 12th-13<sup>th</sup> for a World Series Qualifier and on November 23<sup>rd</sup>-25<sup>th</sup> for a USTRC Qualifier. Both events were successful and between both events we paid out over \$160,000 in cash and prizes. Not bad for two winter ropings with temperatures in the high 40's and low 50's.

Our next event will be a World Series Qualifier in Clovis, NM on December 31st and January 1st.

You may have heard that the border reopened to the importation of Mexican Corrientes and we were one of the first in line to get some. We have purchased a fresh set of Corrientes and look forward to breaking them in and getting them ready for the roping in Clovis. In January we move to Casa Grande, Arizona and have numerous events planned January through March. Check our website for schedules. Feel free to call me anytime as well.

On behalf of Zamora Roping Productions we would like to thank you for your continued support of our ropings and invite you to our events.

Merry Christmas and a Happy New Year!

Kenny Zamora
