

Dear Ropers,

Happy New Year! We hope everyone had a wonderful holiday season.

We kicked off 2012 in a big way at the Curry County Event Center in Clovis, New Mexico at the New Year's World Series Qualifier. We had a great turnout with ropers attending from Texas, Oklahoma, New Mexico, Colorado and Hawaii. The cattle were great and supplied by Curtis Allen and Steve Purcella. We roped through all the cattle the week leading up to the roping to get a good sort and that proved to be a great effort as we were able to keep an even sort throughout the event.

We ran over 700 teams and paid out just over \$130,000 in cash!!!

As many of you know, we are moving our team roping productions to the "Valley of the Sun" this winter. We will be producing 15 events in 10 weeks. This past weekend in the "valley" they had huge turnouts at both the USTRC Qualifier in Scottsdale and the World Series Qualifier in Queen Creek. It appears as though the economy may be improving or at least team roping is getting a revival of sorts. We are excited to be a part of the team roping landscape in Arizona.

We would like to thank all the ropers that attended our World Series Qualifier in Clovis as we kick off the new year as well as a special thanks to all our sponsors.

Stay tuned as we will have lots of news in the upcoming weeks regarding our ropings in Arizona.

Until next month,

Good Luck and go get the Money!
