

A Quarter Million in 6 days!

On June 26th - 28th and July 3rd - 5th, 2009 Zamora Roping Productions hosted a USTRC Qualifier, Speed Williams' Match Roping, World Series Qualifier and the Church on the Trail Team Roping which were extremely well attended. Producers Kenny and Marsha Zamora rolled out the red carpet for ropers and their families at their facility known as the Santa Fe Trail Event Center in Las Vegas, New Mexico. 1,871 teams roped for just under a quarter of a million dollars in cash and prizes in a short ten day span on the calendar and a six day span in the arena. Ropers from New Mexico, Colorado, Arizona, Texas, Oklahoma, Kansas, Utah, California, Nevada and Arkansas made the trip to make a run at the cash and prizes. An excellent set of steers were provided by C-S Cattle Company.

“We were really pleased with the turnout. With the economy in the state that it is in and the fact that there were ropings scheduled on top of us, we couldn't ask for much more”, said producer Kenny Zamora. “I would like to THANK all the ropers who came to rope with us both weekends, and our staff and crew for the outstanding job they did in helping us produce these great events.”

We would like to invite you to come rope with us and we look forward to seeing you down the road at our future events.
